No other medicine has such

an enviable reputation as

Brandreth's Pills. For more than sixty years they have had the unqualified confidence of both the people and the profession. They have never failed to perform the work required of them in a safe and satisfactory manner. Being entirely vegetable and wholly composed of innocent drugs they have never done harm, and although death must finally visit us all, we believe, from long experience and thousands of cases, that life can be prolonged by the occasional Francis, have just returned home from Ger-many, where they have been attending use of this medicine. These pills remove all the disease producing matter from the system every time a dose is taken, and since the same dose will always produce the same effect, it stands to reason they must keep the body in a healthy state, and when man has no substance in him which will produce disease he is not susceptible to its influence.
